## Websites to support sustainable travel in primary schools

Organisation	Link/website	Comments
ActionAid	<a href="http://www.actionaid.org.uk/school-resources">http://www.actionaid.org.uk/school-resources</a>	Many resources aimed at Primary schools.
BBC Schools	<a href="http://www.bbc.co.uk/schools/teachers/environment/">http://www.bbc.co.uk/schools/teachers/environment/</a>	Environmental-based lesson plans for key stages 1&2
Brighton & Hove City Council	<a href="http://www.brighton-hove.gov.uk/content/parking-and-travel/travel-transport-and-road-safety/school-travel-plans">http://www.brighton-hove.gov.uk/content/parking-and-travel/travel-transport-and-road-safety/school-travel-plans</a>	Lesson plans and teaching resources
British Heart Foundation	<a href="http://www.bhf.org.uk/get-involved/events/schools-and-youth-groups/jump-rope-for-heart.aspx">http://www.bhf.org.uk/get-involved/events/schools-and-youth-groups/jump-rope-for-heart.aspx</a>	British Heart Foundation fundraiser Primary and Secondary 'Jump Rope for Heart.' Designed to help pupils skip their way to health (12,000 steps a day) and raise money at the same time. Easily adaptable ideas
Christian Aid	<a href="http://learn.christianaid.org.uk/TeachersResources/primary/Index.aspx">http://learn.christianaid.org.uk/TeachersResources/primary/Index.aspx</a>	Useful free resources and downloads on climate change for Primary and Secondary schools. Assemblies, classroom activities and games to help pupils engage with world issues and reflect on their own role as global citizens.
Cornwall Council	<a href="http://www.cornwall.gov.uk/transport-and-streets/sustainable-transport/travel-plans/school-travel-plans/">http://www.cornwall.gov.uk/transport-and-streets/sustainable-transport/travel-plans/school-travel-plans/</a>	Lots of resources and lesson plan ideas.
Go Ahead Go Learn Education	<a href="http://www.go-ahead.com/sustainability/society/go-learn-education.aspx">http://www.go-ahead.com/sustainability/society/go-learn-education.aspx</a>	Literacy and Maths Plans for KS 1&2. Excellent photos of real towns that could be adapted easily.
Government website	<a href="https://www.gov.uk/government/publications/uk-physical-activity-guidelines">https://www.gov.uk/government/publications/uk-physical-activity-guidelines</a>	Government physical activity guidelines.
Government website	<a href="http://talesoftheroad.direct.gov.uk/">http://talesoftheroad.direct.gov.uk/</a>	KS1&2 road safety teaching ideas, curriculum links, video and audio clips, interactive activities and worksheets, home – link sheets and information for parents.
Hackney Council	<a href="http://www.hackney.gov.uk/sta-school-travel-plans-and-the-curriculum.htm">http://www.hackney.gov.uk/sta-school-travel-plans-and-the-curriculum.htm</a>	Good general website for STP information. Includes curriculum links at the end.
Lancashire Healthy Schools Programme	<a href="http://www.lhsp.org.uk/index.php?category_id=287">http://www.lhsp.org.uk/index.php?category_id=287</a>	This EYFS & primary resource has been designed to be used flexibly to promote healthier food and activity choices to primary age children and their families and encourage them to make behaviour changes. Useful for discussing diet as part of healthy choices.
Letzgogreen	<a href="http://letzgogreen.org/">http://letzgogreen.org/</a>	The website which has been developed to promote sustainable travel and public transport within the West Midlands. Teaches children about the benefits of active travel through audio comics that are interactive and feature games and comprehension quizzes. Lots of very good lesson plans.
Nature Detectives	<a href="http://www.naturedetectives.org.uk/packs/index.htm">http://www.naturedetectives.org.uk/packs/index.htm</a>	What to look for on the way to school spotter guides. Clear and colourful resources worth laminating that can be used for a variety of cross curricular purposes.

Sunny Schools	<a href="http://www.tes.co.uk/ResourceDetail.aspx?storyCode=6138851">http://www.tes.co.uk/ResourceDetail.aspx?storyCode=6138851</a>	Sunny Schools tackles issues of climate change and energy in schools, while bringing alive the science of renewables. The global dimension of these topics is addressed through case studies of SolarAid's work in East Africa. The programme is cross-curricular with strong elements of Geography. Clearly laid out lesson plans and activities TES log in may be needed.
SUSchool	<a href="http://www.suschool.org.uk/1_starters/starters.html">http://www.suschool.org.uk/1_starters/starters.html</a>	Starter activities to get you up to date and inspired on a variety of sustainable topics.
Sustrans	<a href="http://www.sustrans.org.uk/our-services/who-we-work/teachers">http://www.sustrans.org.uk/our-services/who-we-work/teachers</a>  Suss it Out! [PDF 3mb] - ideas for activities to promote active travel to young people	Topics include Sustrans Superheroes, Big Street Survey and the Big Shift.  Well planned activities to promote active travel to young people with clear guidelines on the time and resources they require.
Transport for London	<a href="http://www.tfl.gov.uk/info-for/schools-and-young-people/">http://www.tfl.gov.uk/info-for/schools-and-young-people/</a>	A selection of promotional materials available for all road users. Click on Teaching Resources and follow links for the Free Tools and Activities – useful for road safety topics.
Travel Matters	<a href="https://www.travelmatters.org.uk/">https://www.travelmatters.org.uk/</a>	Lesson plans and resources help teachers promote walking, cycling and public transport to pupils. Travel Matters are dedicated to sustainable travel. Teacher resources and lesson plans with year groups and curriculum.
US Environmental Protection Agency	<a href="http://www.epa.gov/region5/publications/happy/happy.htm">www.epa.gov/region5/publications/happy/happy.htm</a>	The Happy Earth colouring and activities book for primary children is full of tips for making the Earth a better place. Could be used a starting point for lessons for KS1 or for a debate on how to present information for KS2. Very visual. Recommend checking that it is suitable for the intended audience before use.
Young People's Trust for the Environment	<a href="http://www.ypte.org.uk/evironmental-facts.php">http://www.ypte.org.uk/evironmental-facts.php</a>	Environmental fact sheets produced by YPTE suitable for KS2 with a link for related facts and downloads.
