

The Air Pollution Maze

Air pollution can damage people's health. It can make you sneeze or cough.

Help the My Journey birds find their way to school without walking through any polluted air.

START

A maze puzzle with various scenes in different frames. The path starts at the 'START' box and ends at the 'FINISH' box (a school building). The path is defined by blue lines, and the scenes are in red-bordered frames. The scenes include:

- A bush of green bushes.
- A landscape with a sun, a tree, and a green hill.
- A blue car with a person driving and smoke coming out of the tailpipe.
- A factory with smoke coming out of its chimneys.
- A blue truck with smoke coming out of its exhaust.
- A park with a fountain, trees, and a bench.
- A red ship on the water.
- Two trees.
- A bush of pink flowers.
