

RIDES

REALISING INNOVATIVE DELIVERIES
IN EASTLEIGH & SOUTHAMPTON

Trial the RIDES E-Cargo bikes for sustainable local deliveries

Are you currently using a motor vehicle to transport your goods?

Would you like a fun, environmentally friendly and cost effective alternative?

The RIDES project enables workplaces and community groups in Southampton and Eastleigh to trial the electric cargo bikes for up to 3 months.

This allows them to experience for themselves how an e-cargo bike can provide a better way of making local deliveries and transporting goods.

Trial either the:

TERN MODEL

OR

URBAN ARROW
