North Whiteley Travel Matters: Issue 1

Hampshire County Council's Travel Planning Team is delivering a Community Travel Plan for North Whiteley. Our focus is helping you to travel more actively and sustainably by supporting you to swap car journeys for more walking, cycling and shared transport.

Where will you go on your new bus service?

Connecting you to work, friends, family, shops, education and public services.

First Bus are delighted to confirm that the timetable for service 28/28A from Fareham has been amended to include the new and expanding residential area of North Whiteley. On weekdays a few journeys will start and finish at Botley Railway Station. Plus, there is a change of route in the Park Gate area, instead of operating direct via Botley Road, buses will divert to serve Bridge Road, Station Road and Duncan Road in both directions.

Visit myjourneyhampshire.com/moving-home/north-whiteley/bus to view the new timetable.

Give it a go for £2

Now's the time to try the new 28/28A bus service for £2. Why not try swapping short car journeys and take the bus to meet friends, visit family, get to work or have a day out?

All single bus fares in England are capped at £2 for 3 months, between 1 January and 31 March 2023, due to government support.
