

North Whiteley Travel Matters: Issue 12

Hampshire County Council's Travel Planning Team is delivering a Travel Plan for North Whiteley on behalf of the North Whiteley Consortium. Our focus is helping you to travel more actively and sustainably by supporting you to swap car journeys for more walking, cycling and shared transport.

Have your say in the North Whiteley Travel Survey

Hampshire County Council is undertaking the next biennial Travel Survey, which is part of the travel plan, and forms part of the planning obligation for the North Whiteley Consortium, who is fully funding this consultation.

This survey is asking the community how they currently travel and what might encourage them to travel more sustainably or actively in the future. By completing the survey, you can enter a prize draw with a chance to win one of twenty £15 One4all vouchers to spend at mainstream stores and venues. You'll find many of these in the Whiteley Shopping Centre including Cineworld and Nando's. T&Cs apply.

Your responses, in collaboration with our local partners, will help reduce the environmental impact of traffic and carbon emissions in North Whiteley, and help us to provide travel plan activities that can benefit the local area and the health and wellbeing of its residents.

The survey opens on Monday 9 June and closes at 11.59pm on Sunday 20 July 2025.

You can complete the online survey by going to hants.gov.uk/north-whiteley-survey.

If you need a paper version of the survey, contact travelplans@hants.gov.uk or call 01962 845638 (weekdays 9am – 5pm) and give your name and address.

Claim Your £100 Green Travel Boost

Have you just moved to North Whiteley or know someone who has? You may be eligible for a £100 Green Travel Boost – an initiative to help reduce car use and encourage walking, cycling, wheeling, scooting, or taking the bus.

This initiative is delivered by Hampshire County Council on behalf of the North Whiteley Consortium as part of the development's Travel Plan. It is fully funded by the Consortium.

If you are having difficulties taking part in this offer because it requires you to purchase the items first before being reimbursed, then please contact Katie in Whiteley Town Council cdokatiemattingley@whiteleytowncouncil.gov.uk, who will be able to support you with your application.

If you've already claimed your £100 Green Travel Boost, we'd love to hear how it helped make your local travel more sustainable. Share your story with us!

Clean Air Day 2025

Clean Air Day is an annual event that raises awareness about air pollution and encourages actions to improve air quality. It brings together individuals, communities, organisations, and governments to promote cleaner air for all.

This year, Clean Air Day takes place on 19 June. Why not get involved? Help raise awareness about the importance of air quality, take part in meaningful activities, and support policies that lead to a healthier environment for people and the planet.

Below, you'll find a range of resources and activities to help your workplace or community celebrate and make a positive impact.
